The Lake Okoboji United Methodist Camp is ready for another fantastic summer. We are looking forward to morning wake up calls, afternoons at the Lake, evenings around the campfire, and everything in-between. For over a century campers have been coming to Lake Okoboji UM Camp, we know this summer will be the best one yet!

Week-long campers ages 9 and up can experience the famous **Adventure Camps**, the biggest and best way to experience camp. Adventure Campers take part in the exciting Okoboji **Journey Program** each full day of camp. If you're looking for a little something extra, make sure to check out the **Adventure Camp Upgrades** (Go-Karts, Amusement Park, Teen Week, Sky Zone, Horses and Aerial Adventure Course) that allow you to take your event to the next level.

For younger campers aged 6-9, **Short Stacks** camp is a huge hit! Two action packed days and nights at camp filled with classic camp activities. 4-6 year-olds can join us at a **Lil' Explorers Day Camp** event for a fun-filled day of activities and faith development.

You'll find opportunities for the entire family at Okoboji, too! **Guardian & Angel** overnights are a long-standing and ever popular choice for our youngest campers to experience Okoboji with a special adult Guardian. The **Okoboji Family Camp** is for families of all ages and sizes to come together for an exciting two-night adventure that will create lifetime memories!

You won't want to miss out on some of the exciting year-round events like the annual **Sled Head Breakfast** during the Okoboji Winter Games. Come get a taste of what camp is like at our **Neighbor Night Summer Kickoff**, where we start the summer off in style!

Generations of youth and adults know that the Lake Okoboji United Methodist Camp is been a place set apart to make new friends, learn new skills, develop self-confidence and grow together in faith while amongst caring, Christian staff. CAMP FACTS

What is a typical daily schedule for a camper?

A day at Okoboji includes many adventures! Weeklong, Short Stack, Day and Family Campers all have unique schedules with a wide variety of activities. Check out the sample schedule next to your specific event to get you started. All campers will experience a wide variety of camping events including swimming, crafts, Bible study, hiking, campfire, games and so much more! For specific information on daily schedules and specialized activities for your event, contact us at camp anytime!

Can my camper choose what s/he does at camp?

Yes! In addition to the daily adventures every camper experiences while attending camp, campers attending week-long events also have the opportunity to choose focus areas, called Journeys. At the start of their week at camp, each camper will select age-specific Journey options in which they would like to participate. During the camp week, campers will focus on their selected Journeys at designated times. Journey offerings include many classic activities as well as new and exciting offerings each year. Check out page 5, or contact camp for more information.

I see that the age range for week-long camps is 9 years old to 17 years old. Does this mean that campers of these ages will be together in cabins and during activity times?

Campers of many different ages can attend camp during the same week, giving families flexibility when scheduling their camp time. Prior to their arrival at camp, campers are assigned into cabin and activity groups based on age and gender. For activities such as Journeys, a 9-year-old's list of Journey choices would not be the same as the choices available to a 12 or 17-year-old.

Can I come to camp with friends?

Of course! On your camp registration form there's a designated spot for campers to list a preferred bunkmate. When cabin lists are assembled the Okoboji staff will then make every effort to accommodate bunkmate requests. Don't forget the "Bring-a-Friend" discount!

How is my child's camp counselor hired, trained and supervised? Do you do background checks on all staff including volunteers?

Prior to employment at any Iowa United Methodist Camp, all staff are screened, interviewed and receive state, local and federal background checks. Upon employment, all staff receive extensive training and are supervised and evaluated throughout the entire summer by qualified on-site leadership staff. Most staff members also receive additional specialized training, including certification in American Red Cross First Aid/CPR. Volunteers receive background checks, abbreviated training and consistent oversight by on-site leadership staff.

What happens if my child gets homesick at camp?

We take homesickness seriously. We train our staff and plan our program in such a way as to help avoid homesickness. At Okoboji, we create the most nurturing, comforting environment possible. With all of our unbelievable activities and supportive staff, most youth are able to overcome their homesickness quickly. However, there are a few children every summer who are unable to shake homesickness. If this happens, one of our leadership staff will contact you.

Is Okoboji ACA Accredited? Why is that important?

The Lake Okoboji United Methodist Camp has received accreditation status through the American Camp Association. ACA Accredited camps meet up to 300 standards for health, safety and program quality. Only one in four camps in the country choose to go through this process. We regularly review every facet of our program and operations. As a parent, you can feel confident that participants are in a safe place! For more information on the American Camp Association, check out their website (www.acacamps.org).

Is there financial assistance for my child/ren to attend camp?

Yes! To apply for a campership, contact your local United Methodist Church or call us toll free at camp, 866-856-9862. Our friendly staff will be happy to assist you. Don't forget about our "Bring-a-Friend" and "Family" discounts, too!

Camperships available through the Iowa UM Conference

It is the position of the Board of Camp and Retreat Ministries that no camper shall be turned away due to lack of funds. Therefore, Camperships are available through the Conference Camp and Retreat Office. However, as funding is limited, our expectation is that your local church/agency, personal funds and conference support will combine to cover registration costs.

*To apply for campership funds:

Speak to your local pastor to see if your church has scholarship money available. Your pastor can then fill out a Campership Application Form and send it to the Camp Registrar. Campers with no connection to a United Methodist Church may contact the Camp and Retreat Office for more information.

Family and Bring a Friend Discounts DO NOT apply when receiving Campership funds.
