## LEADERSHIP TRAINING

### JUNIOR LEADERS

Ages 16+

Junior Leaders is a two-day leadership training event for high school students looking for opportunities to develop new skills and grow in faith. Much of Junior Leaders is designed to prepare teen volunteers for working with children and their cabin leaders throughout the summer. They will get the chance to see behind the scenes of camp, participate in teambuilding and leadership activities, learn about working with children, learn and play fun camp games, and connect with summer staff. The intent is to build confidence, create new friendships, and discover strengths to further both personal and professional goals. Following Junior Leaders, participants are encouraged to volunteer their time at a camp event during the summer. It is a great way to grow and share your faith! All Junior Leaders must complete registration & health form, and those ages 18+ interested in volunteering must complete a background check prior to arriving at camp. Check-in at 10:30am, check-out at 3pm.
